

Tim Brown has been the Senior Pastor of a large church as well as a solo pastor in a smaller church who grew past the bumps and bruises of next-level change. He's been involved in coaching as a client for four years, and as a coach for one year. He specializes in helping people work on habit change and helping people get professionally and personally unstuck. He's a writer and a blogger, and you can find his work at www.reluctantxtian.com or at his Google site: <https://sites.google.com/view/writecoach-com/home>.

You may contact him directly at pastortimbrown@gmail.com.
