Location: Charlotte

Session Options: In Person, Video Chat and Phone

Contact Info: 516-749-5595 meg.fielding6@gmail.com

BIO: I've been active in the ELCA on a local and synodical level for over 25 years. When I retired and moved to Charlotte in 2016, I looked for a role in my new location and discovered coaching. I'm excited to take this next step and walk with others as they discern their path to their personal goals and ministry.

I have been involved with The Diakonia Program (<http://www.diakoniausa.org/>) on a local, state and national level for 22 years, a reflection of my passion for lay adult education. 20 years ago, I was set apart as a synodical deacon and served on the council to train and oversee approximately 65 synod deacons for 8 years, 6 years as the chair. I'm a trained facilitator for "Healthy Congregations", "Walking the Mourner's Path" and completed Disaster Chaplain Training and Mental Health First Aid for Religious Leaders with NYDIS: New York Disaster Interfaith Services. My husband, Sean, and I were married in 1972 and we have 2 sons, 2 wonderful daughters-in-law and 3 grandchildren. One son is in the NYPD, the other is a Major in the Air Force and my husband is a retired Air Force officer.
